

Marios Papaloukas & Associates

LAW OFFICE

Office Overview

Marios Papaloukas & Associates Law Office was founded in 1993 by Professor Marios Papaloukas. Our law office has served the business community in such a way that we have built a strong reputation for our commitment to provide comprehensive legal services.

It is important for us to achieve a high level of individual service for every client. Our office is staffed by a team of lawyers with excellent academic qualifications and many years of experience dedicated to provide legal services tailor made to our clients' needs with a personal contact with clients anticipating their needs and ensuring timely and appropriate solutions to their problems.

We advise a varied client base that includes individuals, companies, financial institutions and international law firms creating efficient and practical solutions for our clients and we enjoy an international reputation for providing a professional service of the highest quality.

You can contact our associates at the email address: mpapalouka[à]gmail.com but do not forget to replace [à] with @ before using it.
